

Your Guide to Bespoke Flowers

We offer a wide range of bespoke chiffon & ribbon flowers which can be made to measure from a wide range of colours.

Never Underestimate The Power of Packaging

Embellishment can form part of the product's imagery, reinforce a brand name, give on the shelf stand out and ultimately add value and profitability.

We produce numerous styles of lovely chiffon & ribbon flowers. They can be supplied on cut pieces or elastic loops to fit around a variety of products. The flowers can also be used as wristbands or rings to promote an event or launch.

What is the minimum order quantity?

Our flowers are subject to a minimum order quantity from 5,000 pieces. The MOQ can vary depending on the size and colour. We would advise the MOQ upon receipt of your enquiry.

What are the lead times?

We would produce a sample for approval before proceeding with bulk production. The lead time for a sample is approx. 2-3 weeks. The lead time for bulk production is approx. 6-7 weeks via air freight & approx. 12-14 weeks via sea freight. Please note these are approx. lead times based on the MOQ & our capacity can vary throughout the year. For higher quantities & during peak production the lead times will be longer. Please contact us and we can provide a current lead time on an enquiry by enquiry basis.

Prices

Because each flower is developed to suit your individual requirements we do not have set price list. Each enquiry will be quoted individually based on your requirement.

See our inspirations section for examples of trims we have previously produced

We are unable to anticipate your intended use of our products but we do conduct testing and record detailed specification data on them. Using this information we can provide product suitability advice to help you find a product which is fit for purpose for your needs. Please contact us for more information.
